

VILLAGE OF WALTON HILLS

WORK. PLAY. LIVE.

Journal

AUGUST 2015

Dear Neighbors and Friends,

On July 13th, I attended a meeting of the Cuyahoga County Economic Development and Planning Committee to explain the details of the Walton Hills-Sagamore Hills Joint Economic Development District (JEDD). The success of bringing four communities and two counties together to pursue grants and overcome the obstacles that pertain to resurfacing and rebuilding Sagamore Road and replacing its waterline was discussed. We went into great detail about the Northcoast Behavioral Healthcare facility and the impact that has been made on the deterioration of Sagamore Road by the facility's 300 employees along with the construction vehicles. We then explained how we pursued our JEDD with Sagamore Hills and how we could utilize a payroll tax to help pay for the replacement and long term maintenance of the road and secure funding for needed safety forces such as police, fire and paramedics.

After questions were satisfactorily answered by their legal counsel, the Committee unanimously agreed to send our request for a JEDD to the County Council for a vote on July 14th; their approval was obtained. Summit County had three meetings on this issue and they voted in favor of the JEDD on July 20th. So with Walton Hills and Sagamore Hills and the two counties (Cuyahoga and Summit) all supporting the JEDD unanimously, this opens the door for the State to support everything that we are moving forward to create. This would be a 50 year success story to benefit our community, Sagamore Hills Township and the Northcoast facility. We are in the process of moving forward to appoint our JEDD Hearing Board with Sagamore Hills. Once this issue is finalized, we are hoping to start collecting payroll tax from the Northcoast facility in September. The money would

offset some of our operational costs and would be split 50/50 with Sagamore Hills after administrative fees are paid.

We are preparing for more expansion in Walton Hills! On July 21st, the Planning Commission heard the proposal of NPK Construction Equipment for a 29,520 sq. ft. addition to their existing 100,000 sq. ft. building at 7515 Northfield Road. We are thrilled that NPK chose to consolidate its operations in Northeast Ohio and continues to invest in our community!

I hope you all had a chance to see the wonderful improvements at the corner of Alexander and Northfield Roads in front of Western Reserve Battery. There has been some confusion regarding the financing of this project. Please understand that we received a \$25,000 donation from the Northfield Park Racetrack to beautify that corner. The total cost of \$34,000 was for asphalt, flower beds, fence, bricks, and lighting. That means the Village paid out \$9,000 dollars. If anyone still has questions about our beautification efforts, please do not hesitate to call and get the facts.

As we continue to close out the summer months, we anxiously anticipate Community Day on August 9th. I hope you are all able to either participate in or attend this special event. Please take time to stop by the paramedics table to explore the options with the R.E.S.C.U.E. program which can benefit you and your family in a medical emergency. Enjoy what is left of the summer and be safe as our children head back to school at the end of the month. God bless!

Sincerely serving you,

Kevin Hurst

Mayor/Safety and Economic Director, **I.G.I.T.**

On a beautiful 4th of July morning, Mayor Hurst, Councilpersons Brenner-Miller, Kolograf, Terlosky and Rich, and Police Chief Thellmann gather prior to participating in the annual Bedford/Bedford Heights parade.

Resolution No 2015-22 authorizes a contract with Ronyak Paving, Inc. for the Sagamore Road Asphalt Reconstruction.

August Environmental Message — Dog Days of Summer

- Over seed the lawn; slice seeding is the most effective way to seed a lawn.
- When choosing grass seed, consider turf-type tall fescue, best suited for Ohio's climate.
- Mow only when needed.

DID YOU KNOW? A small percentage of weeds in the lawn is a good thing. Weeds increase biodiversity and attract beneficial insects. Biodiversity leads to a reduced likelihood of pest insects and diseases.

Breaking down the barriers that prevent people from getting/staying healthy

Walton Hills Police Department Information

Kenn Thellmann, Chief of Police / Councilman Denny Linville, Safety Committee Chair

Walton Hills Police Department Senior Citizens' Police Academy Graduation

On Tuesday, July 14th, the Fourth Senior Citizens' Police Academy held its graduation ceremony.

The ceremony was attended by the cadets' family members, friends, police personnel, council members and Mayor Hurst. During the nine-week academy, the cadets learned various aspects of police work including crime scene investigation and identity theft and fraud.

They participated in mock shoot-don't-shoot scenarios, witnessed police K-9 demonstrations, and learned CPR, fire safety and the proper usage of fire extinguishers.

They also witnessed SEALE (Southeast Area Law Enforcement) demonstrations and 9-1-1 procedures. At the graduation ceremony the cadets were treated to lunch and each received a Certificate of Completion and a polo shirt with the Academy logo and "Graduate" etched on the front. Congratulations to all of the graduates!

"Project Blue Light"

With all of the negative criticism in today's society for law enforcement and police, the Walton Hills Police Department is doing something positive and giving away blue light bulbs to residents. The purpose of these light bulbs is to show support for law enforcement, not just in Walton Hills, but all over our nation. The color blue is symbolic of "PEACE". By displaying your blue light(s) you send a message that you support America's peacekeepers, your light is guiding them to safety, and you hope the year will be peaceful. Let it shine all year long! Thank you for your support of law enforcement. The blue bulbs will be available at the Police Department or Village Hall window. This is a national program.

Mailbox Addresses

Please take the time to make sure that your address is affixed to both sides of your mailbox. By having your address on your mailbox it makes it much easier for our safety forces (police officers, auxiliary police officers, and fire and EMS personnel) to locate your house in an emergency, perform a house watch, etc. Please make sure that the numbers are at least three inches high and are a dark or light color to contrast against the color of your mailbox. Thank you.

(Not Acceptable)

(Not Acceptable)

(Acceptable - Good)

When you are calling the Village Hall, please call 440.232.7800.

Please do not call 440.232.1313.

This is the police non-emergency number, and this number should only be used to address police questions/concerns.

Update on Trash Contract

The Village Council passed Resolution No. 2015-20 on June 16th which authorized a five year contract with Kimble Recycling & Disposal, Inc for solid waste removal and recycling services. All residents will soon receive a letter from Kimble outlining the details of the new contract and when you will be receiving your trash carts.

2014 Annual Report Now Available

The 2014 Annual Report for the Village of Walton Hills is now available on the Village website. If you do not have access to a computer, you can stop by or call the Village Hall and we will provide you with a copy.

Upcoming Recycling Roundups

8am to 3:30pm – Walton Hills Service Center, 6800 Dunham Road

The Cuyahoga County Solid Waste District only accepts materials that originated from a household and not a commercial source.

Recycle Your Computer – August 17th through 21st – Accepted items: CPU's, monitors, keyboards, mice, printers, terminals, modems, cables, software, ink printer cartridges, and cell phones and their accessories. All computer hard drives will be erased of all data using U.S. Department of Defense specifications. To obtain a tax receipt for your donation, contact the Solid Waste District at swdinfo@cuyahogacounty.us or 216.443.3749 x 8.

Scrap Tire Round-Up – September 21st through 25th

Household Hazardous Waste Disposal – October 5th through 9th

Learn about one of the best known gossip columnists.**CAROL'S BOOKWORM REVIEW**

Last month we read and discussed the book, "Orphan Train" by Christina Baker. We rated this book:

Out of 5

Next meeting of Carol's Bookworms: Monday, August 31st at 7pm. Please bring an item for our food pantry.

Driver Needed

There is an opening for a part-time driver for the Recreation and Community Life Department to transport residents to and from appointments, Monday through Thursday. Applicants must be in good physical shape, have patience and enjoy helping seniors. Applicants must have a CDL license and a good driving record. Applications are available at the Village Hall or online at www.waltonhillsohio.gov. For additional information, call Carol at 440.786.2964.

I would like to thank Cleveland Indians Charities and Minute Men for the \$5,000 Diamond Improvement Grant that we received to finish the fencing around diamond #3 at T.G. Young Park. It looks great – so come to the park and check it out!

~Carol Stanoszek, Recreation Director

Tickets can be purchased at the Recreation Ticket Booth- \$2.00 Individual Ticket, \$13.00 for Individual Pass / Unlimited Usage; \$25.00 Family Pass / Unlimited Usage (family members only — no neighbors or friends accepted with Family Pass).

Fiscal Officer's Report

Vic Nogalo, Fiscal Officer / Don Kolograf, Finance Committee Chairman

Last December, Governor Kasich signed House Bill 5 into law which basically established reform on municipal taxation. Cities and villages including Walton Hills are required to adopt a new income tax code conforming to House Bill 5 by January 1, 2016. The Village's current tax code will remain intact and continue to apply for tax year 2015 and tax years prior to 2015.

We will attempt to explain the changes that House Bill 5 has brought forward each month in the **Walton Hills Journal**. This month we will explain the change in the **"Net Operating Loss (NOL) Carry-forward"**.

The Village of Walton Hills is more business friendly than what the new state law mandates. The Village currently allows a five year loss carry-forward without limitations. Without any state changes, a business can utilize its losses (2016-18) fully in profit years 2019 through 2021.

	2016	2017	2018	2019	2020	2021	2022	2023
Net Profit (Loss)	(\$10,000)	(\$20,000)	(\$25,000)	\$20,000	\$20,000	\$20,000	\$20,000	\$20,000
NOL (Tax Year 2016)				(\$10,000)				
NOL (Tax Year 2017)				(\$10,000)	(\$10,000)			
NOL (Tax Year 2018)					(\$10,000)	(\$15,000)		
Taxable Income	\$0	\$0	\$0	\$0	\$0	\$5,000	\$20,000	\$20,000
Walton Hills Tax @ 2.5%	\$0	\$0	\$0	\$0	\$0	\$125	\$500	\$500

The new state law limits mandate that a business's NOL for tax years 2017 through 2022 is limited to 50% during tax years 2018 through 2022. A business may use 100% of its unexpired and unutilized NOL beginning with tax year 2023. The example below with the same profit (loss) scenario as above illustrates the disadvantage for businesses respective to a negative cash flow and paying additional taxes for a business respective to the new rules.

	2016	2017	2018	2019	2020	2021	2022	2023
Net Profit (Loss)	(\$10,000)	(\$20,000)	(\$25,000)	\$20,000	\$20,000	\$20,000	\$20,000	\$20,000
NOL (Tax Year 2016)				(\$10,000)				
NOL (Tax Year 2017)				(\$10,000)	(\$5,000)	(\$2,500)	(\$1,250)	expires
NOL (Tax Year 2018)					(\$12,500)	(\$6,250)	(\$3,125)	(\$3,125)
Taxable Income	\$0	\$0	\$0	\$0	\$2,500	\$11,250	\$15,625	\$16,875
Walton Hills Tax @ 2.5%	\$0	\$0	\$0	\$0	\$0	\$281	\$391	\$422
Unutilized NOL (Tax Year 2016)	(\$10,000)	(\$10,000)	(\$10,000)	\$0	\$0			
Unutilized NOL (Tax Year 2017)		(\$20,000)	(\$20,000)	(\$10,000)	(\$5,000)	(\$2,500)	(\$1,250)	
Unutilized NOL (Tax Year 2018)			(\$25,000)	(\$25,000)	(\$12,500)	(\$6,250)	(\$3,125)	(\$3,125)

If you have any questions concerning this state law change, feel free to contact me at 440 232-7800. I want to give credit to Regional Income Tax Agency representatives Robert Meaker and James Neusser for their fine presentation relating to this topic at a recent income tax seminar.

Owned and Operated by Walton Hills Resident Dennis J. Kolar, Jr. - Family Owned and Operated Since 1979

VOLUNTEERING

Councilwoman Gloria Terlosky, Information Committee Chairwoman

They say love makes the world go around. But I have to add to that statement by saying volunteers keep it moving in the right direction. Companies and organizations could not function as well without their volunteers. They are everywhere – in hospitals, churches, animal rescue, airports, schools, government and assisted living facilities; the list goes on and on.

I personally have been a lifelong volunteer. My volunteering has taken me to battered women shelters, cancer treatment centers, mentally and physically handicapped facilities, animal rescue shelters and churches. I was an Honor Flight guardian and for the last ten years I have spent time volunteering at Light of Hearts Villa in Bedford in their Cozy Corner Shop.*

But this week at Light of Hearts Villa was a little different. All the volunteers at the Villa were treated to a special volunteer appreciation luncheon. After lunch we were asked to go outside and form a line and we were each handed a small triangular shaped box. We were told there was a surprise inside. We were told to make a wish and pull open the tab on the side of the box. As I pulled the tab and the box opened up, a beautiful orange and black Monarch butterfly flew out and soared above our heads. I cannot fully express in words the feelings I and the other volunteers had. Some laughed, some cried, some were amazed. It was breathtaking; it was a touch of nature's magic, full of beauty and grace. Our spirits and emotions along with our wishes were

being carried on those wings. So if you see a Monarch butterfly around your yard, their journey (I like to think) started at Light of Hearts Villa where volunteers are shown they are literally and figuratively appreciated in the highest possible regard.

If you find yourself feeling a little down and need a purpose or a change in your life, get out there and start volunteering! I guarantee it will change your life for the better and you might just help someone else have a better life as well. Get out of your cocoon and like the butterfly, you will have wings to soar. Become a volunteer; the sky is the limit!

* Cozy Corner Shop accepts clean and slightly used donations from individuals (household items, clothing, jewelry, books, knickknacks, etc.) and sells them to the public. The Cozy Corner Shop is located in the Light of Hearts Villa. The revenue received from these donated items goes right back into the Villa's Benevolent Fund for its residents. ALL and ANY TYPE of donations can be dropped off at the reception desk. The public is always welcome to come and shop. It is Goldie Locks shopping; the price is always just right. Any questions? Call 440-232-1991. Hope to see you at the Villa!

If you are interested in learning more about the Butterfly Release, contact them at their website: swallowtailfarms.com

Senior Flu Shot Clinic – Save the Date!

The Village of Walton Hills, in cooperation with Walgreens, will be offering a senior flu shot clinic on Wednesday, October 7th from 9:30am to 12pm. This program is primarily for residents who are 65 years of age or older. Younger residents with diagnosed chronic illnesses will also be served. It will be necessary to make an appointment. There will be more information in the September issue of the "Journal."

Thank You Carol James Florist

Our most sincere appreciation is extended to Carol James Florist, located at 451 Broadway Avenue in Bedford, for donating a beautiful floral arrangement for display in the Village Hall lobby every week.

Please patronize this wonderful florist! Their phone number is 440.786.1811.

Spotlight on

Paul Jablonski

One of the many threads in the fabric of our Village

The time has come to say goodbye to a good friend of many villagers, young and old. Paul Jablonski, one of the village van drivers who has driven many seniors and Parker Program kids for the last ten years, is heading to sunny Florida. He is the ideal person to spotlight this month, so we can all learn more about a man who has meant so much to so many of our residents.

Paul grew up in Maple Heights and graduated from Maple Heights High School in 1965. He went right into the Marine Corps after graduating from high school, and served until 1969. He was stationed in Cherry Point, North Carolina but saw active duty in Vietnam. He loaded bombs, rockets and missals on F-4B Phantom jets.

A short time after he got out of the service, he went to school for electronics at the Griswold Institute of Electronics and obtained an Associate's Degree. He worked in the field of television and stereo repair "back in the tube days" and worked for both Singer Television and Marsh Television in Maple Heights.

If you asked Paul about other jobs he has held in his life, he would tell you that he has done just about everything! He worked at a gas station pumping gas, was a soda jerk and assistant manager at Islay's in Bedford, worked at Weather Tight, Cleveland Typewriter, Ferro Chemical and Carr Brothers. He moved to Texas and worked for a concrete company and then came back to the Cleveland area and worked for Osborne Cement driving a truck. He then became a postal carrier and worked in that profession for 15 years, retiring from the Bedford Post Office in 1994. In March of 2005, Paul became a van driver for the Village of Walton Hills, driving seniors to their appointments and children signed up for the Parker Program to their various excursions.

Paul met his wife Stacey after he got out of the service. They were married in 1972. Stacey's mother lived in Maui, Hawaii, so they thought it would be a great place to move. They did so in 1973 and they were blessed with their daughter Shayne that same year. The family lived on Maui for one year, moved back to the states for two years and went back to Maui for another year in 1976. While in Maui, Paul worked for a television repair shop and a dairy and drove a dump truck. Paul thought that Hawaii was a beautiful place to live. However, the cost of living was very high and even though jobs were plentiful, they did not pay well.

Paul and Stacey moved into their home on South Meadowpark Drive in 2003. Stacey, whose maiden name was Ankney, grew up in Walton Hills. Her father built the log cabin on Morningside Drive in the late 1940s. Paul became involved with the

village softball program because of his two grandkids – Kayli and Austin. He coached T-Ball, Coach Pitch and Mini Tails.

Paul feels that Walton Hills is a great community and he really loves the area, but his future lies in Sarasota, Florida where he and Stacey have been snowbirds for the past several years. They plan to make their big move to permanent Florida residency any time now, because he has driven the Parkers home for the very last time (the village Parker Program ended on July 30th).

Paul is very thankful that he was able to assist so many village seniors and children over the years. He thoroughly enjoyed his time here and is glad that he was able to help so many seniors who were alone and had no one else to turn to. Seniors such as Mary Vosgerichian, whose furnace air filter he would change every year, or the late Jeannette Singer, whose air conditioner he would take out before he went to Florida for the winter and put back in when he returned, or the late Elizabeth Gannon, whose dog he would take on more than one occasion to the emergency pet clinic. Paul works as a van driver at a nursing home in Florida, which he enjoys, but it lacks the personal connection that is felt with residents of our village. Instead of feeling like a van driver in Walton Hills, he always felt like a friend or family member transporting special people who depend on him – people that he truly has enjoyed helping over the years and people he is thankful that he was able to help.

To all the people of Walton Hills whose lives have been touched by this special man – not only the seniors but the Parker kids that he has driven and seen grow up over the years – Paul wants to say goodbye, and know that he will always remember you fondly. And to Paul, thanks for touching our lives and good luck in sunny Florida!
